

Sheet Metal Workers' Health Plan  
of Southern California, Arizona & Nevada

Summary Comparison  
of  
Medical Plan Options

*January 2019*

Available under the

Retiree Health Plan

in

*Nevada*

To ensure the best coverage available, please review this comparison very carefully. **Once you have elected a medical plan, you may change your election only during the next Annual Open Enrollment.** Exceptions are made only if you move outside of your selected plan's service area, so please *choose carefully*.

**Important:** This is not a contract. This is a *summary* of the medical plan options available to you. The group agreements and Plan documents must be consulted to determine the exact terms and conditions of coverage.

*All benefits and self-pay contributions are subject to change.*

The **HMO and EPO Plans** (*Health Maintenance Organization/Exclusive Provider Organization*) - provide quality care under a **managed care** environment, within a **defined service area**. When you enroll in an HMO or EPO plan, you **must** use their medical providers and hospitals for all of your medical care and prescription medication needs. **No benefits are provided if you, or your eligible dependents, use non-contracted providers**, except for certain medical emergencies.

There are no claim forms to fill out, and the Fund pays the HMO/EPO directly for your health care needs. Most routine health care services are provided to you for specified co-payment amounts at the time of service, but deductibles and co-insurances apply to others if you are not eligible for Medicare.

Each HMO / EPO **service area** is defined in their enrollment packet. To enroll in an HMO/EPO, you must reside in and have all medical services performed within their defined service area. If you enroll in an HMO or EPO and *frequently* travel, there may be **no benefits available** while you are outside of your selected plan's service area.

For *specific benefits* available, please call the appropriate **Member Service** numbers indicated below.

## ***Your Monthly Contributions***

Please refer to the “***Retiree Self-Pay Rates for Calendar Year 2019***” for your appropriate monthly self-pay contribution. These rates are current as of the printing of this material, and are subject to change. All rates are currently based on the retiree’s years of Pension Credit, and whether the retiree and/or his eligible dependents are eligible for Medicare.

Self-pay contributions will be deducted from your monthly pension benefit check. If your pension benefit is not large enough for the self-pay deduction, however, you will be required to remit monthly payments to the Administrative Office, in order to continue coverage under the Retiree Health Plan. All payments for coverage are due in the Administrative Office no later than the 20<sup>th</sup> of the month prior to the month of coverage. Failure to remit a timely payment will result in a termination of coverage.

These rates apply only to retirees and surviving spouses who have elected and continuously maintained coverage under the Sheet Metal Workers’ Retiree Health Plan. **These rates do not apply to retirees or surviving spouses who have initially declined or previously terminated their coverage.** For current “Reinstate Rates”, please contact the Administrative Office.

## ***Eligible for Medicare?***

If you (*or an eligible dependent*) are eligible for Medicare, you (*or the dependent*) **must** enroll in Medicare Parts A **and** B. In addition, you (*or the dependent*) **must** enroll in your plan’s Medicare plan - Health Plan of Nevada’s *United HealthCare Group Medicare Advantage* or United Healthcare’s *Medicare Advantage*, **and** assign your Medicare benefits to your HMO. **Failure to comply may result in a termination of your coverage under the Retiree Health Plan!** If your HMO Plan does not contract with Medicare in your area, or you are enrolled in Hometown Health Plan, it will be necessary for you to change to an available plan upon your (*or the dependent’s*) Medicare eligibility date. If there is no contracted Plan in your area, your coverage will terminate.

## ***Moving?***

**Please contact the Administrative Office *immediately* if you change your mailing address! Unless we are aware of your change of residence, you could experience a *lapse in your coverage!***
